Deaf Awareness Day at Six Flags New England

CLW along with Stavros, MRC-Somerville and Department of Developmental Services (DDS), hosted the 21st Annual Deaf Awareness Day on August 6th at Six Flags New England with approximately 375 people in attendance. The turnout was good, even though there

This annual Six Flags event is an ongoing, important occasion for the Deaf Community to socialize and network informally. It also educates the general public about Deaf Awareness, as well as raises money for Educational Scholarships for Deaf, Deaf-Blind and Hard of Hearing individuals.

Center for Living & Working, Inc. is an Authorized Representative for Harris Communications and CaptionCall.

Harris Communications sells assistive products for the Deaf and Hard of Hearing. Equipment includes: FM Systems, fire/safety alarms, doorbell alerts, baby crier/signalers, TV listening, loop systems and more!

CaptionCall is similar to captioned television and uses advanced technology and a communications assistant to provide *nearly instant* written captions of what callers say on a large, easy-to-read screen. It works like a regular telephone – simply dial and answer calls as usual – speak and listen using a phone handset like always. The captioning service is free. Captioning is provided by CaptionCall and paid through a fund administered by the Federal Communications Commission.

MCDHH Budget Update

Keeping you informed; the MA Legislature voted during the override phase to restore \$200,000 to the FY17 budget for MCDHH. The General Appropriations Act is in the process of being finalized. The FY17 funding allocation for MCDHH is the result of extensive, statewide, and highly visible input and advocacy from Deaf and Hard of Hearing constituents, family members, consumer organizations, and many other affiliates. Thank you for your very active participation throughout the important government process of developing our state budget.

The chart below records the milestones through which this budget evolved.

FY 2017

Looking ahead in this new fiscal year, the MCDHH Statewide Advisory Council and Legislative Task Force will meet in the Boston office in September as listed below.

Thursday, September 15 6:15-8:15: Statewide Advisory Council

Wednesday, September 21 6:15-7:45: Legislative Task Force

VRI Open Discussion Wrap Up & Next Steps

In July, Center for Living & Working, Inc. hosted the last "Open Dialogue about VRI" in Taunton, MA. The Task Force meeting in April, 2016 went well and the group came up with few possible ways to move forward.

It was decided that the next step will be to meet with other agencies (MCDHH, MSAD, DPH and others) to determine what each agency will focus on. We created a 'Fact Sheet' to help consumers know what to do if they are confronted with VRI issues again. This fact sheet has been shared with other Deaf and Hard of Hearing Independent Living Centers and will

be revised to match their region. A meeting will be set up between CLW, Heidi Reed, Massachusetts Commissioner for the Deaf & Hard of Hearing, and Andy Veith, President of Massachusetts State Association of the Deaf.

CLW will keep the community involved once a plan for action is set up.

Hanover Theater Provides Accessible Seating

ODSC's New Cultural Broker

Our Deaf Survivors Center's (ODSC) board is very excited to announce that as of Monday, May 16th, Mary Bird is our new Cultural Broker. She will work with Deaf, Hard of Hearing and DeafBlind people who are experiencing sexual and/or domestic violence, stalking or harassment. Cultural Brokers support and create access for survivors by collaborating with victim service agencies and programs. They offer training, consultation and/or support about using and getting certified American Sign Language interpreters or CART, as well as creating a Culturally Affirmative environment. The Cultural broker may attend meetings with the survivor and agencies to ensure communication access and a possible working relationship. The Cultural Broker is available to support the victim with sexual and domestic violence needs in hospitals, as well as law enforcement and court settings.

Mary Bird, Cultural Broker for ODSC

You can contact Mary Bird, Cultural Broker at cbodsc414@gmail.com or 978-451-7225 (VP).

Reporting Wages for Supplemental Security Income (SSI)

If you receive Supplemental Security Income (SSI) and you or your <u>deemor</u> (e.g. your ineligible spouse or parent(s) with whom you live) work, then either you or your representative payee <u>must</u> report the gross wages to Social Security. You should consistently report wages during the first six days of the month to help prevent overpayments and underpayments.

Because SSI is a needs-based program for people who are aged, blind, or disabled, the amount you can receive is based, in part, on the income available to you. Generally, the more income available to you, the less the SSI payment will be.

You can report wages by visiting, calling or writing your local Social Security Office at https://secure.ssa.gov/ICON/main.jsp. You can ask about using the automated toll-free SSI Telephone Wage Reporting Service (https://www.ssa.gov/ssi/spotlights/spot-telephone-wage.htm) or the free SSI Mobile Wage Reporting Smartphone app.

If you want to report wages using our telephone service or Smartphone app, please contact your local Social Security office and speak to one of our representatives.

Worcester City Hall (continued...)

(Continued from page 1)

Preservation Worcester; the tour and mock city council meeting were a success! About 15 Deaf and Hard of Hearing community members joined, including all of CLW's DHILS Staff for this interpreted event. Docents (tour guides) from Preservation Worcester explained the history of the building and its architecture and monuments inside and out, as well as the different artifacts, photos and paintings displayed on each floor. They shared stories about what City Hall used to be like 200+ years ago and explained City Hall's current offices/services too. We even toured the Mayor's office, which still has the original design from when City Hall was built in 1898! After the tour, we all went into the Esther Howland Chamber room for the Mock City Council meeting. Many of us participated in the meeting as councilors, city residents, the city manager and city clerk, while Councilor Tony Economou acted as the Mayor who led the discussion and council vote on building a dog park in Worcester. It was fascinating to learn the City of Worcester's council meeting process and how they propose and vote on various city issues! It was also great to learn how all Worcester residents can get involved in Worcester's city government, and residents of other towns can get involved in their town's government. When the mock city council meeting was over, several attendees finished off the fun day enjoying lunch on Worcester Common at the Out to Lunch Summer Concert Series & Farmers' Markets.

Introducing CLW's new Deaf Skills Trainer: Heidi Clemmey

Heidi Clemmey comes from a Deaf family in Connecticut and is proud to share that she graduated from the American School for the Deaf, the oldest Deaf school in America; which will be celebrating their 200th anniversary next year, in 2017. **Heidi's passion for work**ing in this field comes from her family, who are Human Resource professionals. **After obtaining a Bachelor's degree in Social Work, Heidi** got her first job in Boston at DEAF Inc. as an Independent Living Specialist. Heidi feels this job gave her such a rich experience because she was working with a variety of consumers and cultures. After receiving her MSW degree (Masters in Social Work degree) from Gallaudet University, Heidi began to work with young Deaf and Hard of Hearing students doing individual and group counseling. Heidi also worked as a Case Manager for the Department of Mental Health and

as a Children Specialist with the Massachusetts Commission for the Deaf & Hard of Hearing. Working as a DHILS Skills Trainer at CLW is encouraging for Heidi because there is better communication access and resources available for Deaf and Hard of Hearing consumers than there were when she started her career at DEAF, Inc. Heidi also continues to volunteer as an advocate with Deaf parents of Deaf/CODAs on the Autism spectrum to ensure that these children are receiving appropriate education and support services in their school system. She also continues to provide resources for Deaf families in Massachusetts through *Family Ties* (http://www.massfamilyties.org/) and through the *Federation for Children with Special Needs* (http://fcsn.org/). Heidi is also currently a Chairperson on the Outreach Committee of *MA KODA*.

Joint Consumer Conference Recap

The Annual Consumer Conference, "Building Careers...Building Lives" was held on June 23, 2016 at the DCU Center in Worcester, MA. This event was co-hosted by: MA Rehab Commission, MA Commission for the Blind, MA Commission for the Deaf and Hard of Hearing and MA Statewide Independent Living Council. There was an exhibit hall with over twenty vendors showcasing resources, activities, involvement opportunities and assistive technology demonstrations.

After a Welcome Reception consumers and agency staff attended morning and afternoon workshops such as Mentoring for Career Success, Job Seeker's Took Kit, Deaf/DeafBlind Self-Advocacy Training, and a Vocational Rehabilitation Focus Group for MRC Consumers.

There was a working luncheon with Keynote Speaker Janet L. LaBreck (former MCB Commissioner) who is currently the Commissioner of the Rehabilitation Services Administration (RSA), United States Department of Education.

BUDGET FRIENDLY RECIPE

From the Kitchen of CLW

No Noodle/Veggie Lasagna

Serves: 8

Ingredients

2 Large Zucchini/Eggplant

1 jar Spaghetti Sauce Mozzarella Cheese 1 bag

1 Egg

Ricotta/Cottage Cheese 2 cups

Dried Oregano 1 tsp

1 Tbsp. Parsley

2 Tbsp. Fresh Garlic

1 tsp Salt

Directions

Preheat oven to 375 degrees. Grease a 9x13 baking dish.

Cut zucchini/eggplant into very thin slices lengthwise and microwave with 1/2 cup of water for 10 min.

 When finished, set in colander to drain for 10 min.

 In a separate bowl, combine egg, ricotta/cottage cheese, garlic, salt, parsley and oregano.

Start layering - spaghetti sauce, cooked zucchini/eggplant, ricotta mixture and mozz cheese - repeat until dish is full.

Let sit for about 10 min before serving

Tip: Add cooked Italian sausage or hamburg to your layers if you want to add meat. Or add your favorite veggies (onions, spinach, mushrooms) for extra flavor!

Hello Hockey Fans!

My name is Tymmothy Dore and I am a membership executive for the Worcester Railers – the new ECHL hockey team slated to play at the DCU Center in downtown Worcester beginning in October, 2017!

Joan Philip suggested I reach out to you in hopes that you may like more information about the Worcester Railers. We have a lot of excitement surrounding our new hockey team... and would love for you to be a part of our team!

If you have any questions or would like more information please email me at tymmothyd@railershc.com or visit www.RailersHC.com In addition, if you prefer to meet in person I am able to communicate using ASL and would be more than happy to setup a time to meet.

Thank-you for your time and I look forward to the opportunity to share all the great benefits of a Worcester Railers Hockey Club membership!

Things You Should Know How to Do on Facebook: Disconnect apps from your Facebook account

Even if you don't use a particular connected app anymore, it could still be collecting information from your Facebook account. Want to turn that off? No problem!

- Log in to your Facebook account on your desktop, mouse over Apps on the left side of the screen, and click More (Figure 1)
- Next, click the Settings button at the top of the screen to see which apps are connected to your Facebook account.
- 3. To disconnect an app on that list, hover over it with your mouse and then click the X button that appears. (Figure 2)
- 4. You'll then see a dialogue box prompting you to remove the app. Click Remove, and you're finished. (Figure 3)
