

Spinal Cord Injury Focus Group:

Come share refreshments and ideas!

Center for Living & Working is assembling a one-hour focus group (with refreshments!) to brainstorm an exciting opportunity to develop a support group for persons with an SCI.

We need your input!

CLW seeks to provide support and resources to persons with an SCI. The support group will be designed to increase independence and/or community inclusion. Who would like to increase their social environment? What social opportunities or access to resources might we be able to facilitate? Brainstorm with us!

At Center for Living & Working:
