The Worcester Green and Healthy Homes Coalition (WGHHC) is coordinated by the Regional Environmental Council of Central Massachusetts (REC).

The **Worcester Green and Healthy Homes Coalition (WGHHC)** is a joint effort of public and private agencies, grassroots organizations, and concerned citizens committed to eliminating home health hazards, promote energy efficiency and improve health and quality of life in Worcester.

## **WGHHC member organizations include:**

- African Community Development Corporation
- Catholic Charities of Worcester County
- Central Massachusetts Housing Alliance
- City of Worcester Department of Inspectional Services
  - Childhood Lead Poisoning Prevention Program (CLPPP)
- City of Worcester Office of the City Manager
  - Division of Human Rights
  - Division of Housing Development
  - Division of Public Health
  - Work Force Central
- Clark University
- Worcester Energy Barn Raisers
- Fairbridge Project International
- Family Health Center of Worcester
- East Africa Community Outreach
- Edward M. Kennedy Health Center
- Community Legal Aid
- Liberian Association of Worcester
- Lutheran Social Services of New England, Refugee and Immigrant Services
- Massachusetts Department of Public Health, Childhood Lead Poisoning Prevention Program (CLPPP)
- NeighborWorks® HomeOwnership Center of Worcester
- Refugee and Immigrant Assistance Center
