

# Center for Living & Working, Inc. pre-employment **transition services**

Are you a student with a disability, between the ages of 14-21, and in high school or post-secondary education?

do you know...

- what kind of career you want?
- how to get a job that will lead you down that career path?
- what skills you need before you can get and keep that job?
- where you can get the training you need?

pre-employment transition services **can help!**

- ✓ job exploration counseling
- ✓ work-based learning/paid internship
- ✓ workplace readiness training
- ✓ self-advocacy and mentoring
- ✓ post-secondary education counseling

To be considered, all interested students must complete an **application** and provide documentation of disability (IEP/504/medical documentation)

for information *or* an application:
